3.2 DRAFT Communications Strategy

Website Accessibility

Need to update our website, the current one is not so user friendly. Rosie to look at this for the Trust.

Stakeholder Engagement Continuum

This needs to be improved, Geraldine to liaise with the board for any amendments and confirm with Taryn to amend the strategy. There has to be consideration for hapu in this area - Marae Representation and Hapu Representation.

Communications Risk

There needs to be a space to heal the broken the relationships within the strategy. The strategy objectives have to be achievable which may include bridging the gaps. Capability to do the mahi is also a part that we need to address.

Smart Objectives

Strengthen Online Touchpoint - This can be done via a e-panui 1/4 which will also help the iwi understand the amount of mahi this is achieved by the trustees. Allows for a more in depth look at the mahi, sometimes the AGM once per year is too long to wait.

Tell a Story - some good stories about what is happening in the rohe, can also be done through the 1/4 newsletter. Aunty Jean has the books and videos of the roadshow hui that was held for DoS - historical archives.

Increased Kanohi ki te Kanohi Engagement - Hui a Iwi are happening this month which is a good start to this objective.

ICF Hui

We looked at the Turner Centre in Kerikeri to host the ICF hui, it addresses all our needs., bar - kitchen - event room. Check with Natalie from NICF to confirm the dates, possible funding can be sort.

Programme: possibly hire Fullers Ferry - Whangaroa to Kowhairoa to see the progress being made with the taiao, hangi on site, visit one of the oyster farms. Te Roroa is to far away to visit their rohe, presentation on the Kauri Walks, etc. could be the possibility for them to showcase their iwi.

BERL Report

Approached BERL to quote us a report for Stony Creek Station incorporating the following focus areas:

- The time value of money
- Appreciation of land value
- Potential annual income streams

We can use this report to go back to Te Arawhiti to support us with financial claims, the quote was for 10k, BERL will focus on the commercial focus.

Geraldine to return to them to if they are able to add in the social impact for our iwi and the social risk for our iwi.

5 Aug Waitaruke & 25 Aug Auckland. Kuia Kaumatua Dinner set for 29 September 2023 - Rosie to organise invite for Trustees and Marae reps, venue, kai. Organise accommodation for some of the Kuia Kaumatua if they would like to stay for the night.

Deputy Chairperson x 2

It would be good to have a deputy chair based in the rohe when Teresa & April are unable to attend these hui. Teresa as the Chair can nominate someone to attend a hui on her behalf.

Tohu/Branding

We will talk to whanau about the Tohu while we are on our Roadshow, have a korero also to our Kuia Kaumatua Dinner on the 29 Sept.
